# This is the quality STORE!

We consider quality above everything else here. QUALITY must go in before our name goes on. Of course, we never fail to show absolutely correct styles, and we always make our prices just as low as possible for the qualities we sell, but we never sacrifice quality to make a price. We build this business on the foundation of quality. We think you like that kind of a store. We want your trade. We are trying to deserve it.
